

Equal Opportunities Workshop: Understanding Gender

This online workshop will give a short introduction on how Gender matters in our daily life at university. We will discuss Gender stereotypes and sexism as well as how gender affects us and our academic career. The workshop will give you the opportunity to reflect on the one hand stereotypes that influence your own academic development and on the other hand it will give you the chance to discuss how to deconstruct gender stereotypes to contribute to more gender equality in academia.

Content

- Knowing about Gender bias in academia
- Dealing with Gender stereotypes in academia

Coach
